

SB VC 2

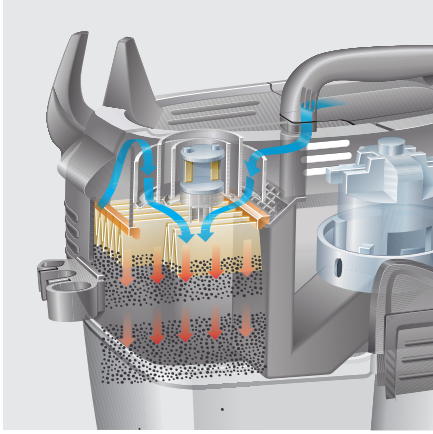

Dual workstation SB vacuum cleaner SB VC 2: impresses with consistently high suction power thanks to Tact automatic filter cleaning, hose recovery with fibreglass rod and ergonomic suction nozzle.

Order no. **1.070-003.2**

Technical data

EAN code		4054278278261
Air flow	l/s	2 × 74
Vacuum	mbar	2 × 254
Connected load	kW	2 × 1.38
Container content	l	2 × 36
Sound pressure level	dB(A)	63
Number of current phases	Ph	1
Frequency	Hz	50 / 60
Voltage	V	230
Weight without accessories	kg	12
Weight incl. packaging	kg	14.8
Dimensions (L × W × H)	mm	1220 × 595 × 2200

Tact automatic filter cleaning system

- Suction power remains at a consistently high level.
- Extends the life of the filter and turbine.
- Extended intervals for filter cleaning and replacement save time and reduce costs.

Hose recovery with fibreglass pole

- Effectively minimises floor contact of the hose.
- Protects the hose.
- Prevents dirt from being carried into the vehicle.

Optimised, ergonomic suction nozzle

- Excellent cleaning results, both on surfaces and edges and gaps.
- Special surface structure around the handle.
- Efficient vacuuming for high customer satisfaction.
